## NEWSLETTER SUMMER 2024

We hope this newsletter finds you in good health and high spirits as we welcome the beautiful summer season. We have several exciting updates and initiatives to share with you, all aimed at enhancing your experience and the quality of care we provide.

### Join Our Patient Participation Group

Our virtual patient participation group is currently looking for new volunteers. This group offers you the opportunity to provide valuable feedback and suggestions, helping us to improve our services and better meet your needs. If you are interested in joining the PPG and having a say in the future of your healthcare, please contact the reception for more information.

### Introducing Our New Clinical Room

We are delighted to unveil our new clinical room, which has been designed to host a variety of specialists. This facility will allow us to offer in-person appointments with a physiotherapist, mental health practitioner, or pharmacist one day each week. This initiative is part of our ongoing commitment to providing comprehensive and convenient care to our patients. Stay tuned for the schedule and how to book these appointments.

### New Upstairs Waiting Room

To improve your comfort while waiting for appointments, we have opened a new waiting room upstairs. This additional space is designed to create a more relaxed and spacious environment for our patients. We hope you find it a pleasant addition to our practice.

### Primary Care Network Collaboration

We are pleased to inform you that our Primary Care Network (PCN), which enables us to collaborate closely with other local GP practices, has launched a new website. This platform will provide you with access to a wealth of information and resources about the network's services and initiatives. Please visit the new website at [barnetpcn3.nhs.uk](https://barnetpcn3.nhs.uk) for more details.

### Wishing You a Happy Summer

As we enter the summer months, we wish all our patients a season filled with joy, good health, and relaxation. Please remember to stay hydrated, protect yourself from the sun, and enjoy the wonderful weather responsibly.

Thank you for being a part of our community and for your continued trust in our services. We look forward to seeing you at the practice soon.

Best regards,  
**Patricia**  
Practice Manager
